

Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

10 Working in partnership with parents and other agencies policy

Alongside associated procedures in 10.1-10.2 Working in partnership with parents and other agencies, this policy was adopted by *Swanmore Pre-school* on 29th October 2021.

Aim

We actively promote partnership with parents and recognise the importance of working in partnership with other agencies to promote the well-being of children and their families. This includes signposting parents to support as appropriate.

Objectives

- We believe that parents are children's first and most enduring educators and our practice aims to involve and consult parents on all aspects of their child's well-being.
- We also recognise the important role parents must play in the day-to-day organisation of the provision.
- We consider parents views and expectations and will give the opportunity to be involved in the following ways:
 - sharing information about their child's needs, likes, achievements and interests
 - settling in their child to the agreed plan according to our settling in procedures
 - taking part in children's activities and outings
 - contributing with ideas or resources as appropriate to enhance the curriculum of the setting
 - taking part in early learning projects, sharing with practitioners' knowledge and insights about their child's learning
 - contributing to assessment with information, photos and stories that illustrate how their child is learning within the home environment, taking part in day-to-day family activities
 - taking part in discussion groups

- taking part in planning, preparing, or simply participating in social activities organised within the setting
- taking part in a parent forum to encourage the democratic participation of parents in discussions about the day-to-day organisation of the setting, consulting about new developments and other matters as they arise
- involvement in the review of policies and procedures
- Ofsted and setting contact details are displayed on the parent notice board for parents who have a complaint that cannot be resolved with the setting manager in the first instance, or where a parent is concerned that the EYFS standards are not being maintained

Partnership and signposting to other agencies

- We are committed to ensuring effective partnership with other agencies including:
 - local authority early years services about the EYFS, training and staff development
 - local programmes regarding delivering children's centres or the childcare element of children's centres
 - social welfare departments regarding children in need and children who need safeguarding or for whom a child protection plan is in place
 - child development networks and health professionals to support children with disabilities and special needs
 - local community organisations and other childcare providers
 - Ofsted and setting contact details are made available to other agencies who have a complaint that cannot be resolved with the Setting Manager in the first instance, or where a parent is concerned that the EYFS welfare standards are not being maintained.

10.1 Working in partnership with parents and other agencies

We believe that families are central in all services we provide for young children. They are involved in all aspects of their child's care, their views are actively sought and they are actively involved in the running of the setting in various ways.

We work in partnership with local and national agencies to promote the well-being of all children.

Families

- Parents are provided with written information about the setting, including the setting's safeguarding actions and responsibilities under the Prevent Duty
- Parents are made to feel welcome in the setting; they are greeted appropriately.
- Every effort is made to accommodate parents who have a disability or impairment.
- The expectations we make on parents are made clear at the point of registration.
- There is a clear expectation that parents will participate in settling their child at the commencement of a place according to an agreed plan.
- There is sufficient opportunity for parents to share necessary information with staff and this is recorded and stored to protect confidentiality.
- Key persons support parents in their role as the child's first and most enduring educators.
- Key persons regularly meet with parents to discuss their child's progress and to share concerns if they arise.
- Key persons work with parents to carry out an agreed plan to support a child's special educational needs.
- Key persons work with parents to carry out any agreed tasks where a child protection plan is in place.
- Parents are involved in the social and cultural life of the setting and actively contribute.
- As far as possible the service is provided in a flexible way to meet the needs of parents without compromising the needs of children.
- Parents are involved in regular assessment of their child's progress, including the progress check at age two, as per procedure 09.15 Progress check at age two.
- There are effective means for communicating with parents on all relevant matters and 10.2 Complaints procedure for parents and service users is referred to when necessary.

10.2 Complaints procedure for parents and service users

There is a fair way of dealing with issues as they arise in an informal way, but parents may wish to exercise their right to make a formal complaint. They are informed of the procedure to do this and complaints are responded to in a timely way. The same procedures apply to agencies who may have a grievance or complaint.

Parents

- If a parent is unhappy about any aspect of their child's care or how he/she feels he/she has been treated, this should be discussed with the child's key person. The key person will listen to the parent and acknowledge what he/she is unhappy about. The key person will offer an explanation and an apology if appropriate. The issue and how it was resolved is recorded in the child's file and Complaint Investigation Record. The recording will also make clear whether the issue being raised relates to a concern about quality of the service or practice, or a complaint. For allegations relating to serious harm to a child caused by a member of staff or volunteer procedure 6.2 Allegations against staff, volunteers or agency staff will be followed.
- If the parent is not happy with the key person's response or wishes to complain about the key person or any other member of staff, he/she will be directed to the setting manager. Some parents will want to make a written complaint; others will prefer to make it verbally, in which case the setting manager writes down the main issues of the complaint using the Complaint Investigation Record and keeps it in the child's file.
- The setting manager will investigate the complaint and provide time to feedback to the parent within 28 days. A confidential written report of the investigation is kept in the child's file if the complaint relates directly to a child.
- If the parent is still not satisfied, or if the complaint is about the setting manager, the setting manager is asked to forward their complaint verbally or in writing to their line manager.
- If the parent is still not satisfied, then he/she is entitled to appeal the outcome verbally or in writing to the setting manager's line manager who will pass the matter on to owners/directors/trustees for further investigation, who will respond to the parent within a further 14 days.
- If the complainant believes that the matter has not been resolved and there has been a breach of the EYFS requirements, they are entitled to make a complaint to Ofsted. The manager will assist in any complaint investigation as well as in producing documentation that records the steps that were taken in response to the original complaint.
- The setting manager ensures that parents know they can complain to Ofsted by telephone or in writing at any time as follows:

Applications, Regulatory and Contact (ARC) Team, Ofsted, Piccadilly Gate, Store Street, Manchester M1 2WD
or telephone: 0300 123 1231

Agencies

- If an individual from another agency wishes to make a formal complaint about a member of staff or any practice of the setting, it should be made in writing to the setting manager.
- The complaint is acknowledged in writing within 10 days of receiving it.
- The setting manager investigates the matter and meets with the individual to discuss the matter further within 28 days of the complaint being received.

- An agreement needs to be reached to resolve the matter.
- If agreement is not reached, the complainant may write to the setting manager's line manager, who acknowledges the complaint within 5 days and reports back within 14 days.
- If the complainant is not satisfied with the outcome of the investigation, they are entitled to appeal and are referred to the owners/directors/trustees.

Ofsted complaints record

- Legislation requires settings to keep a record of complaints and disclose these to Ofsted at inspection, or if requested by Ofsted at any other time.
- The record of complaints is a summative record only.

A record of complaints will be kept for at least 3 years.

- In all cases where a complaint is upheld a review will be undertaken by the owners/directors/trustees to look for ways to improve practice where it is required.

This procedure is displayed on Parent Notice Board.
